GREETINGS!

**U.S.S. FRANK KNOX DDR-742
8TH ANNUAL REUNION**

October 14-19, 1998

On behalf of the citizens of San Antonio, it is an honor and a distinct pleasure to offer warmest greetings and a Texas-sized welcome to the participants of the 8TH Annual Reunion of the U.S.S. Frank Knox DDR-742.

The City of San Antonio is the nation's eighth largest city and one of the leading cultural and trade centers of Texas and the Southwest. San Antonio is a wonderful multicultural mix that blends the richest of history with a full menu of things to see and do that offer something for everyone. I encourage you to take some time out of your schedules to appreciate all San Antonio has to offer. Step into the hallowed Alamo shrine, take a leisure cruise along the River Walk, participate in the fun of our theme parks, golf courses and other attractions. While you are here in one of America's four unique cities, soak up the arts, architecture, music, nightlife and wonderful cuisine.

I am pleased that you have chosen San Antonio as the site for your reunion. I feel confident that your visit will be an enjoyable one, and hope you'll have memories to last a lifetime, and reason to return again.

Sincerely,

Howard W. Peak
Mayor
