**MESSAGE FROM MAYOR KURT L. SCHMOKE**

Dear Friends:

Welcome to Baltimore and the second reunion of the U.S.S. Frank Knox (DDR-742).

We are proud that the brave members of the U.S.S. Frank Knox and their families are gathered here in the historic port city of Baltimore to swap stories, catch up on each others lives, renew old ties and form new friendships.

I am certain you will enjoy your visit. Baltimore is a dynamic and diverse city characterized by ethnic flavor, historical heritage, and progressive vision.

Best wishes for a memorable reunion.

Sincerely,

Mayor
